

Hi there happy campers!!!

Well it is now only a few days out until we pitch our tents, light up the fire and enjoy the tranquillity that is the Rural Appreciation Weekend. The RAW Committee have been working their backsides off to make this event the very best it can be and before you jump on your buses or into your cars and head west, west, west, there needs to be a few housekeeping measures that you all MUST be aware of.

First of all please take a look at www.rahms.org.au/updates – this link has essential information for you to make this weekend as enjoyable (and injury free) as possible. The documents are summarised below:

- RAW Rules – this document is our Bible for the weekend. It is your responsibility to abide by these rules. Remember your safety is our concern; but YOUR responsibility!
- RAW Kit list – this list entails the essentials that you will need to pack for RAW. Everything on this list is essential (unless otherwise stated) and it is your responsibility to bring them. One of the most important items on this list is a hat!!! Bring a wide-brimmed one if possible.
- RAW Program – gives you an idea of what you'll be up to on the weekend

Remember to give your family/friends the address of the property and the homestead number for their safe keeping so that they can contact you in the event of an emergency. **REMEMBER THERE IS NO MOBILE RECEPTION!**

Homestead number: 02 6375 1450 – Remember this is for use **ONLY** in emergencies!
Address: 1129 “Oakfield” Dunedoo NSW 2844

All essential information will be outlined to you on the Saturday morning over breakfast. In the mean time if you have any other questions please refer them to shannon@nrhsn.org.au

10 sleeps until RAW – gotta love it!

Cheers,

Shannon Nott
