Media Attention

Our previous RAHMS president, Shannon Nott, was quoted extensively on a health issues and policy blog site run by freelance journalist Melissa Sweet:

<http://blogs.crikey.com.au/croakey/2010/03/29/rural-health-needs-more-than-doctor-based-health-reform/>

Well done Shannon! Please have a read, and leave any comments on the story to show your support!

RAHMS Life-skills Program: Event 1 Led Massage

Feeling the stress in those hunched over shoulders? Want to learn a valuable new skill? Keen to meet other people with an interest in rural health?

RAHMS will be running its **Life-skills** program again this year starting with **Led Massage!**

Life-skills is a series of practical skills and informative lectures designed to promote aspects of rural health and to allow you to meet other students with an interest in rural health.

Events will include:

- **Indigenous Health**
- **Mental Health**
- **Sexual Health**
- **Lead Massage**
- **Yoga**
- **Dance**

So if you're just looking to learn a new skill, if you're keen to meet other like-minded students or if you feel like padding out your portfolio a bit (third years, it is never too early to start working on your phase II portfolio) Life-skills is for you!

Where - SG rooms 6 and 7

When - 6pm to 7pm Tuesday 13th of April

What - Led Massage with green tea afterwards

To reserve a spot please email vicepresident@rahms.org.au

Don't forget to sign up to the [Facebook](#) page to keep up to date!

NURHC Call for Abstracts

Do you want to attend NURHC (National Undergraduate Rural Health Conference) for just **\$200**? Then get writing because the NRHSN is calling for abstracts! 40 lucky students from across Australia will get the opportunity to present at the conference (each presentation is to be no more than 15 minutes long) in Alice Springs from July 15-17.

They don't require super duper PhD style presentations - they can be about a

placement you've done, how your club runs a certain activity or even your view on health reform at the moment! The more fun the better! If you would like to be involved with the student presentations but don't know how, please email the NRHSN Exec at exec@nrhsn.org.au

Oh, and did we mention that Ernie Dingo will be performing the Master of Ceremonies duties?!

Interested? Email your abstracts to Francesca Garnett president@rahms.org.au before the 2nd of April 2010.

See the attached pdf document ***UPDATED*** for suggested topics and submission requirements.

NURHC Rural Media Competition

The NRHSN are pleased to announce a new competition at NURHC this year - the Cattleman's Cup! This competition is seeking our IT gurus from out there in rural health land to bring together a 2-3 minute video advertisement for any of the following topics:

- Why country trumps city
- The NRHSN is awesome because...
- Rural living - there's nothing like it
- Lamborghini??? Give me a horse!!!
- Save a horse... ride a...?

All videos entered will be played at NURHC and judged based on originality and their ability to promote rural practice. RAHMS will have the opportunity to submit one video so please email your creative concoctions to communications@rahms.org.au

If we win, the video will be placed on the NRHSN website and \$500 awarded to RAHMS to use on a rural health club activity/project!
